

"A View From The Pew"

Hello, Tom Susor here bringing you our monthly "A VIEW FROM THE PEW".

With Summer rapidly drifting away, the kids are back in school, Football is knocking down the door, and we are still trying to get some time in the pool and at the grill, we are all being reminded that "time waits for no one." If you don't believe me, just turn on the television and that doctor is on reminding us. It is important for us, as Christians, to realize that we have been given directions on what Jesus expects of us as we live our lives.

Paul explains in his letter to the Church in Galatia. Galatians 2 vs 20-21; ²⁰ *My old self has been crucified with Christ. It is no longer I who live, but Christ lives in me. So, I live in this earthly body by trusting in the Son of God, who loved me and gave himself for me.* ²¹ *I do not treat the grace of God as meaningless. For if keeping the law could make us right with God, then there was no need for Christ to die.*

Paul also wrote in Colossians 1 vs 10; ¹⁰ *Then the way you live will always honor and please the Lord, and your lives will produce every kind of good fruit. All the while, you will grow as you learn to know God better and better.*

We all have our lives to live and the choice of how we live is ours as well. The path of rightness is difficult but achievable and is indeed the path to eternal life. Let us all work together to show those living in darkness the only true way to the light, is the way of THE LORD!

Remember when you think that "someone should do something" that someone can be you!!!!

Peace & Love
